

FASCISM ISN'T JUST A WORD FROM HISTORY BOOKS.

It's when power is concentrated in the hands of a few, dissent is silenced, and whole communities are scapegoated and stripped of their rights.

We see it today in attacks on veterans' healthcare, voter suppression, book bans, and efforts to roll back the rights of women, queer, and trans people.

Fascism thrives when people stay quiet. It can only be stopped when ordinary people stand together and refuse to give in.

FAFO IS FOR EVERYONE.

FAFO gives ordinary people the tools, courage, and community to fight back. Together, we protect our communities, strengthen public institutions, and refuse to let authoritarianism take root.

Get with FAFO. Join us in the fight. There is no sideline here:

- Show up at rallies, workshops, and community events.
- Create content that spreads our message across platforms.
- Table and canvass to grow the movement.
- Donate or fundraise to fuel grassroots resistance.
- Join mutual aid efforts to support veterans and neighbors in need.

WHAT IS FAFO?

Fight Against Fascism Organization (FAFO) is veteran-led, people-powered.

We honor the discipline and perspective that veterans bring. FAFO expands that strength by empowering everyday people—teachers, parents, workers, students, and neighbors—to stand together in defense of our communities. While veteran-led, FAFO is not veteran-exclusive; our power comes from people of every background who refuse to stay silent.
